

Defold Training - Day 2

Challenge based training

- We provide a couple of simple games
 - Each with one or more development challenges
 - Modify or “complete” the challenges or come up with your own
- You can also follow one of the tutorials if you prefer to start from scratch (<https://www.defold.com/tutorials/>)
- We're here to help throughout the day!

Project: sidescroller

Project: pong

Project: 15-puzzle

Tutorial: <https://www.defold.com/tutorials/15-puzzle/>

Project: snake

Tutorial: <https://www.defold.com/tutorials/snake/>

Project: runner

Tutorial: <https://www.defold.com/tutorials/runner/>

Ocean Commotion
